

# Tote Road Quarry

## Community Liaison Committee Members

January 3, 2017

The Community Liaison Committee is made up of community members in the St Margarets Bay area. The purpose of the CLC is to provide a forum for discussion and understanding regarding the quarry operation, including the proposed mobile asphalt plant, and to discuss potential impacts on the local community and how they might be mitigated.

Members bring issues and concerns that they are hearing in the community to the attention of Scotian Materials so they can be addressed. Scotian Materials informs CLC members about the quarry operation and the company's plans, and seeks feedback from the perspective of the community.

The CLC is guided by the CLC Charter, which is publicly available at <http://www.scotianmaterials2.info/community-liaison-committee.html>

As per the Charter, being a member of the CLC does not constitute support of the quarry operation or the proposed mobile asphalt plant.

CLC Members are:

**Valda Walsh**

**Milt Larsen**

**Kathy Lea**

**Mike Marriott**

**Murray Power**

There are also some observers of the CLC who are not members:

**Iain Rankin, MLA**

**Ben Jessome, MLA**  
**Shayne Vipond, HRM**

There is also a Scotian Materials Representative:

**Rob MacPherson**

The CLC is chaired by **Ken Donnelly**, who is contracted by Scotian Materials to be an independent and neutral facilitator.
